**FOR IMMEDIATE RELEASE:**

## Open Source Health announces appointment of David Franklin to the Board of Directors

**Toronto, Ontario, Canada – February 22, 2016:** Open Source Health Inc. (CSE:OSH), (Frankfurt:OOS), a cloud based integrative and personalized healthcare platform that puts control into the hands of women to educate, advocate and collaborate on their own healthcare is pleased to announce that Mr. David Franklin has been appointed to the Board of Directors of the Company.

“We are very excited to have Mr. Franklin join our team and with his vast experience in the public capital markets and venture stage investing we see this as a critical move for OSH,” says Sonya Satveit, CEO of Open Source Health Inc.

OSH has granted Mr. Franklin 25,000 stock options as part of the standard board compensation approved by the shareholders.

OSH would also like to thank Ms. Heather Heaman for her services to the Board of Directors and accepts her resignation effective immediately.

### **About Mr. David Franklin:**

Mr. Franklin is currently the CEO of About You Medical Supplies, a durable medical equipment supplier in Fort Pierce, Florida where he oversees all aspects of marketing, operations and compliance. He has over 10 years’ experience in the finance industry, with the last six years spent at Sprott Asset Management. Mr. Franklin held various posts at Sprott, including Research Analyst focusing on small and mid -cap companies and as a Market Strategist in the portfolio management team, while also co-writing the widely-followed monthly “Markets at a Glance” articles with Eric Sprott. In 2011, he was named CEO of Sprott Private Wealth, an IIROC member firm with over \$3 billion of client assets, where he oversaw Sprott’s wealth management services to high net-worth individuals, foundations and trusts. Mr. Franklin has an Honours Degree in Economics from Wilfrid Laurier University and holds a Chartered Investment Manager (CIM) designation in Canada.
